EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the Specification:

Page 1, below the title of invention, insert the following paragraph as the first paragraph:

-- This application is a 371 of PCT/IB05/00079 filed January 11, 2005 which claims benefit of U.S. Provisional Application 60/549,407 filed March 1, 2004. --

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The closest reference of record, EP 1293503 teaches triazole compounds useful as pharmaceutical therapeutic agents, see formula (Ia) in page 4 and the corresponding examples in pages 29-36. The instantly claimed compounds require a 1-(2-pyridinyl or 2-pyrimidinyl)-(piperidin-4-yl)- group attached to the triazole ring carbon. The reference does not teach or fairly suggest any compounds having such combination of cyclic groups attached to the triazole ring. Reference disclosed compound of Example 70 contains a 1-(phenyl)-piperidin-4-yl- group attached to the triazole representing the combination ring D'-ring B'- and a 2-F-phenyl group as the A' ring. The instantly claimed genus, on the other hand, does not include such fluoro-substituted phenyl ring at the analogous position. The reference does not provide sufficient motivation to make the structural modifications necessary to prepare a compound of the instantly claimed genus and therefore, it is deemed that the instantly claimed compounds are novel and patentably distinct.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Receipt is acknowledged of the Information Disclosure Statement filed on September 11, 2008 and a copy is enclosed herewith.
